

BRUSH WASH SHAMPOO MEDIUM

EDITION 7
DATE OF PUBLICATION 09/02/2015

PRODUCT SPECIFICATIONS:

PHYSICAL APPEARANCE Liquid
COLOUR Pink
SPECIFIC WEIGHT 0,99 - 1,01
pH (100 %) 8,5 - 9,5

DESCRIPTION

Neutral shampoo intended for automatic cleaning by automatic wash tunnels. The proportion of surfactants give it foaming capacity and as this dissolves, it eliminates all types of greasy stains and stubborn dirt deposited on vehicles. It is free from solvents or alkalis, which means it can be applied in concentrated form to any type of surface which can be washed: plastic, paint, glass, chrome, aluminium, etc. It dries quickly and thus prevents water spots and calcium rings from forming. Protects the vehicle body and brings out the shine. Keeps the brushes clean and flexible, thus increasing their efficiency and durability.

SAFETY ADVICE

P101 If medical advice is needed, have product container or label at hand. P102 Keep out of reach of children. P103 Read label before use. P501 Dispose of the contents/containers in accordance with the current legislation on waste treatment.
